I think I can safely say on behalf of all the people that attended, we had a fantastic evening and the food was beautiful. I am personally grateful for all of your help and support during the booking and preparation for the evening, you made a stressful task as stress free as possible – for this I thank you!!

I will certainly recommend your venue to other people in search of a good place for an event and I'll certainly return at the next opportunity! Again, many thanks for a wonderful evening!

I am writing to thank you very much for all the preparations you made for our event. The evening was a great success, we had positive feedback from guests who thoroughly enjoyed themselves and made comments on the lovely buffet. Please pass on my thanks to all those involved and look forward to working with you again next year.

Prior to our event, staff took time to call me several times to confirm details. They made great effort to be friendly and decorated the hall for us. On the day they were superb and several guests commented on how good the venue was. We can't thank them enough especially our event manager for the day.

Many thanks for all your support for my charity work and a BIG thank you to all your staff for a truly great evening. All proceeds given to Barts and the London Hospital. Without your help and support this would not be possible.
